

TRAVEL INFO for RIVER HOOP

There are a few options to get to Dvor pri Žužemberku, where the convention will take place. It's actually not that hard ;)

Your best option would be either a car, a camper van, or a bus from Ljubljana (which stops less than 500 m from the convention site, with regular connections to Ljubljana).

Here's the full address:

Domačija Rezelj (Rezelj homestead)

Dvor pri Žužemberku 31 (or Dvor, Žužemberk, or sometimes Dvor, Novo mesto)

8361 Dvor

Slovenia

(coordinates: 45.810626, 14.962732)

It's only about 50 km from Ljubljana and 20 km from Novo mesto.

Closest airports are Ljubljana and Zagreb.

BY CAR:

FROM LJUBLJANA take the highway (for highway travel you will need to buy a Slovenian vignette, more info here: https://www.dars.si/Dokumenti/Dokumenti/Toll/Vignette_308.aspx) or the main road in the direction of Novo mesto. Then you can either get off the highway at Ivančna Gorica or later, at Trebnje. Go in the direction of Žužemberk or Dolenjske Toplice.

When you go past Žužemberk, after about 2 km you will enter the village Dvor. Turn RIGHT just after the sign, at the first crossroad. Go past the school building, straight through a small roundabout and at the end of the road turn RIGHT again. You will already see the signs for the convention and the camping place :)

FROM NOVO MESTO take the direction to Dolenjske Toplice and follow the signs for Soteska and Dvor. You will be driving in the valley of the river Krka, so just follow the main road ;) When you enter the village Dvor, drive straight through in the direction of Žužemberk. At the end of the village Dvor you will see a school and gym on your left side. Turn LEFT just before it. Go past the

school building, straight through a small roundabout and at the end of the road turn RIGHT. You will already see the signs for the convention and the camping place :)
